MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT : Joint Study on Egyptian Air Defense Capabilities

1. The attached Joint Study was prepared in response to a request from the DCI for a paper on the capabilities of Egypt's air defenses in the wake of the substantial assistance that the Soviets have provided this year.

2. Representatives of DIA and NSA submitted contributions to this study and coordinated the final draft. IAS, OER and OSI also participated.

3. I suggest that copies of the Joint Study be sent to Dr. Kissinger, Secretary Laird, Secretary Packard, Admiral Moorer, Secretary Rogers, and Assistant Secretary Sisco, under transmittal memos signed by the DCI (memos attached). In addition, we will provide copies to DIA and NSA for their own dissemination, and to Ray Cline for circulation within INR.
